

U.S. ARMY GARRISON, FORT HUACHUCA
DIRECTORATE OF INSTALLATION SUPPORT

**Fact Sheet for 2005-2006 Hunting Seasons
for Fort Huachuca, Arizona**

ATZS-ISB

May 2005

EACH HUNTER IS RESPONSIBLE FOR KNOWING INFORMATION, PROCEDURES, AND REGULATIONS CONTAINED IN THE ANNUAL HUNTING FACT SHEET, AND EACH HUNTER REQUIRED TO READ AND COMPREHEND THE ENTIRE DOCUMENT, NOT JUST HUNT NUMBERS, AS A CONTRIBUTION TO THE FUTURE OF HUNTING ON FT HUACHUCA.

SPECIFIC HUNT NUMBERS AND TAG INFORMATION BECOME OBSOLETE AS THE TAGS ARE ISSUED. A NEW FACT SHEET WITH CURRENT INFORMATION WILL BE AVAILABLE BY EARLY MAY EACH YEAR.

****2005 CHANGES & HIGHLIGHTS****

* This document, and an August update finalizing spring hunt information for Ft Huachuca, will be posted on the web at <http://huachuca-www.army.mil/USAG/DIS/hunting.html> when approved for web posting.

Important changes you need to know for the Arizona Game and Fish Dept (AGFD) Fall 2005 big game draw (visit <http://www.azgfd.com/temp/05regs.shtml>):

- AGFD online application process has been suspended. Paper applications are the only way to apply.
- Paper applications must be submitted and received by the Arizona Game and Fish Department by deadline day, Tuesday, June 14, 2005 at 7 p.m. (MST). Postmarks don't count.
- All draw applicants must buy a hunting license. If you don't already have a 2005 license you may apply for one and pay for it using the application form.
- Learn more about these changes, important dates and additional draw information by visiting <http://www.azgfd.com/temp/05draw.shtml>

Pick up the new regulations and hunt draw permit applications at AGFD department offices, at license dealers or download them from the department's Web site. Regulations and applications are available from azgfd.gov in downloadable PDF format. Printed paper copies will be available at all department offices and license dealers around 20 May. Throw away any old applications; due to process changes they are no good. New applications are yellow; old ones are white.

All applicants must buy a hunting license. In the past, applicants could ask that a license be issued only if they were drawn. This year, all applicants must have a hunting license to be eligible for the draw. Hunters who don't already have a license can apply for one on the hunt permit application form. If you choose to apply for a license at the time of application, you must include the license fee with each application you make. However, only one license will be issued and the other license fees will be refunded.

Hunt permit-tag fees must be paid up front. All application fees, hunt permit-tag fees, and license fees (if applying for a license at time of application) must be included with the application. Hunt permit-tag fees will be refunded if the applicant is unsuccessful in the draw. A bonus point may be purchased for the cost of the license (if needed) and for the application fee only, instead of paying the entire tag fee.

* Blaze orange has been standardized as the required color of the upper garment and hat that ALL OUTDOOR RECREATIONAL USERS of Post training lands must wear during deer and javelina rifle big

game seasons. Quail, dove, squirrel and cotton tail rabbit hunters also must wear blaze orange when hunting. The camouflage version of blaze orange apparel is authorized as long as at least 50% of the surface is blaze orange. (See section II.L, near bottom of p.4)

* Fall bear hunting will not open unless need for population management hunting exists. (See p.10)

* If you see wildlife wearing collars, bands, ear or wing tags, or radiotransmitters (such as turkey, skunks and turtles), please report details to enr.d.huachuca@us.army.mil or 533-7083.

I. WHO CAN HUNT ON POST?

A. All active and retired military personnel (worldwide), their spouses, and legal dependents 10 years old or older. Arizona requires a 30-day residence for military personnel before an Arizona Hunting License may be purchased.

B. Full-time Civil Service and Non-appropriated Fund employees of Ft Huachuca, their spouse and legal dependents 10 years old or older. Proof of civilian status requires showing a Ft Huachuca Identification Card. Having a Ft Huachuca permit from a previous year is not sufficient proof of eligibility.

C. A valid Arizona licensed hunter and Ft Huachuca permit holder who is 21 years or older may sponsor 2 guest hunters for a 72 hour period. A sponsor is authorized 4 guest hunts per year. Sponsors are required to sign a statement provided by the Sportsman Center guaranteeing their guest hunter's competence with hunter safety, firearms used on the hunt, and that each guest is in compliance with Arizona and Ft Huachuca Hunting Regulations. A guest hunter is authorized to hunt only upland game birds, rabbit, and coyote. **No one** who is eligible to hunt on Ft Huachuca under paragraph I. A or B of the Ft Huachuca hunting fact sheet is authorized to hunt as a guest.

1. A guest hunter is required to sign a statement of liability provided by the Sportsman Center in order to receive a guest hunter permit.

2. Guest hunter permit fee is \$3.00 per year.

3. Guest hunters must register their firearm(s) through the Military Police Weapons Registration section (533-1840 or 6350), in accordance with FH Reg 190-14. See section II.E.

4. A guest hunter must remain within visual and voice range of the sponsor at all times during the hunt.

5. A guest hunter may hunt with more than one sponsor, but may not exceed three hunts for the year. All guest hunter requirements apply for each sponsor.

D. Anyone who qualifies for and receives a 2005 AGFD Challenged Hunter Access/Mobility Permit (CHAMP) and are drawn for a Ft Huachuca CHAMP deer tag will be allowed to hunt deer for that season. No other eligibility is required. Disabled hunters must abide by all CHAMP requirements that are established by commission rules outlined in the 2005-2006 Arizona Hunting Regulations. CHAMP hunters must have a valid Ft Huachuca hunting permit (See II.B.2). Prior to signing out to hunt, must obtain a list of local hunt-cooperators from the Post Wildlife Section (enr.d.huachuca@us.army.mil or 7083). They must then arrange and complete an on site orientation with this volunteer on access roads and boundaries for at least two Post Training/ Game Management Areas of their own choosing. This orientation may be done and notification made to the Wildlife Section any day after receiving their deer Permit-tag, and prior to the first day they come to hunt. This requirement will help hunters new to the fort, and help maintain maximum hunter access to hunting areas.

II. AS A HUNTER, WHAT RULES DO I NEED TO KNOW TO HUNT ON POST?

* All Post hunters are expected to review "Arizona Hunting Regulations for 2005–2006" regarding **jaguar** identification (See www.azgfd.com). Rifle hunters, especially predator hunters, should be aware that jaguar may be in the area and are fully protected.

A. Possess all licenses, stamps and tags required by AGFD for the game hunted.

B. A Post hunting permit is required of **all** Post hunters.

1. Post hunting permits are sold only at the Post Sportsman Center, 533-7085, which is open Wednesday through Sunday (i.e. they are **not** available Mondays, Tuesdays or holidays).

2. Proof of completion of a bonafide **hunter education course** is required to obtain a Ft Huachuca hunting permit.

a. Acceptable courses include AGFD Hunter Education Courses, any state sponsored hunter education course (i.e. a card or certificate of completion from the issuing state, **NOT** just a license from a state requiring hunter education), an NRA Hunter Safety Course, or the German Hunting Course. The only exception to this requirement is for a guest hunter.

b. If you have any doubts about your hunter education card, check with the Sportsman Center well before you plan to purchase your Post hunting permit. Each year a few hunters fail to do this and end up not being authorized to use their deer tag (i.e. their AZ Hunt Permit-tag for a Ft Huachuca Deer Hunt) at all.

c. You may register for an AGFD Basic Hunter Education Course at the Sportsman Center. This course is offered on Post during August, October, and January (if at least 20 participants enroll). It lasts 20 hours spread over 5 evenings over 2 weeks with a Saturday morning range day, so plan accordingly.

d. Sale of Arizona hunting & fishing licenses for 2005 at the Sportsman Center may stop about 24 December 2005 for holidays; thus, if you (or someone you know) want to hunt or fish from 24 December to 1 January, be sure to buy a license before 24 December 2005.

3. The Sportsman Center also has maps of Post Game Management Areas.

C. Abide strictly by all hunting regulations published yearly by the Arizona Game and Fish Department.

D. Be familiar with and abide by all Ft Huachuca hunting regulations (FH Supplement 1 to AR 200-3). Ft Huachuca Game Management Area Maps (sheet 1--Main Post, 2--East Range, and 3--Archery Areas) also contain information hunters must follow.

E. All firearms used on Post must be registered, prior to entry on post, through the Military Police Weapons Registration section (533-1840 or 6350) in accordance with FH Reg 190-14.

F. Anyone entering Ft Huachuca will be required to show identification at the gate before being allowed access to post. Vehicle operators must have vehicle registration and proof of insurance.

G. Eligible dependents **under 16** years of age must be accompanied by a properly licensed adult when hunting. Properly licensed means the **accompanying adult** must have an Arizona Hunting License and a Post Hunting Permit.

H. All weapons will be transported in a completely unloaded condition on post.

1. Loaded weapons (rounds in barrel **OR** an attached magazine) are unlawful in a vehicle on post.

2. Hunters using muzzleloading or cap and ball type blackpowder weapons must remove the cap from a percussion weapon, or the powder from the pan of a flintlock. Muzzleloading firearms allowed for hunting by AGFD are authorized on post, e.g. traditional or modern in-line ignitions, shooting sabot, conical or ball projectiles.

3. Bow hunters must transport arrows in a quiver.

4. These restrictions also apply when a hunter walks across a Post safety zone (No Hunting area).

I. Target practice and sighting in are not authorized away from an established shooting range.

1. Any shot fired (except as noted below) in a Game Management Area must be in an attempt to take legal game by a legally licensed and signed-out hunter.

2. A hunter using a muzzleloading type weapon may, at the end of the hunt, discharge the weapon in a safe manner, rather than having to pull the charge or charges.

J. Hunting and/or shooting within a radius of 200 yards with a bow and arrow or 1/4 mile with a rifle, shotgun or pistol near the following locations, people, or situations is prohibited:

1. Any building, tent, maneuver or bivouac area when in use.

2. Any test site (i.e. Scott Peak, Aerostat, Black Tower, etc.).

3. Libby Army Airfield.

4. Garden Canyon and Huachuca Canyon picnic areas.

5. Ammunition Storage Areas.

6. Recreation areas or other places when non-hunting public, including horseback riders, or Post personnel are congregating.

7. Any location or situation in which a prudent person would perceive danger to life or property is not authorized for hunting. No hunting is allowed within 100 yards of any major road or a road likely to have regular traffic.

K. All hunters must sign out each time they go hunting. During firearms hunts for deer and javelina, all hunters must also sign in upon returning from hunting (See sections III and IV for required procedures).

L. All authorized firearms hunting areas on Ft Huachuca are off limits for any other recreational use during firearms deer and javelina season. The only exception is if the other users meet the blaze orange clothing requirement (see Paragraph L.1. below) for hunters during the same time period (Nov 4-15 & 16-30 Dec 2005; Feb 10-16, 2006).

1. During firearms deer and javelina seasons, blaze orange clothing is required apparel for entering any authorized firearms hunting area on Ft Huachuca. Minimum requirement is a blaze orange hat and a jacket or vest. A camouflage version that is solid blaze orange on at least 50% of the surface area is authorized.

2. Quail, dove, squirrel and cottontail rabbit hunters and non-hunting members of their group must also wear the blaze orange clothing when hunting. Note that this does not apply to any other recreational users at this time.

M. ALL deer, lion, bear and javelina harvested on Post must be checked in at the SPORTSMAN CENTER ON THE DAY KILLED. After duty hours, a hunter must weigh an animal on scales located behind the Sportsman Center on Garden Canyon Rd (Bldg 15423). Fill in a self-check harvest information card with phone number, and keep the lower jaw or head for at least 1 duty day in case a biologist requests to

examine it. AGFD also requires hunters to report bear, lion and archery deer harvest, and send in a premolar tooth from harvested lion (new this year) and bear; see AGFD regulations.

N. Trapping on Post is not authorized for private individuals.

O. There are specific areas for **Archery-only hunting** on post. The map of these areas (Sheet 3) lists special rules hunters must follow when using them.

P. All **waterfowl** hunting must be conducted with steel shot.

Q. Legal shooting times are during daylight hours (except for migratory bird hunts, which run according to federal regulations).

R. Vehicles, including motorcycles and Off Road Vehicles, are **NOT** authorized to travel cross-country. **Firebreaks and dirt roads maintained for vehicle access** may be used for access to Game Management Areas by properly signed out hunters. **CHAMP** hunters may hunt from a vehicle, but the weapon may **not** be loaded while the vehicle is in motion.

S. A hunter may not possess or transport any alcoholic beverage while hunting.

T. Each hunter is responsible for informing someone other than hunt control where they will be hunting and at what time they should be considered late in returning. Each hunter must be sure the informed person knows the license plate number and description of the vehicle used while hunting. This informed person will contact the Military Police Desk (533-3000 or 533-2181), and provide this information if the hunter fails to return as scheduled.

U. Military training and firing schedules have priority over all hunts. Therefore, some or all, Game Management Areas may be closed to hunting on any given day.

1. Hunting may be closed with little or no notice due to changes in training requirements.

2. If hunt control personnel advise you that there is a **caution** in your chosen area, be extra alert and careful.

- a. The caution means there either is training or non-hunting recreational activities scheduled to occur in that area.

- b. If upon reaching the assigned area, you feel there are too many other people in the area, or you are hunting in an area that may cause adverse comments, please leave and sign-out for a different area.

- c. CHAMP hunters **may** be allowed to sign-out for an exclusive Game Management Area on a specific day(s), depending upon the number of hunters in the field.

V. Failure to abide by Post and/or state hunting regulations, laws, rules, or command directives may result in loss of Post and state hunting privileges, as well as applicable state and Federal criminal sanctions.

III. HOW DO I SIGN-OUT DURING PERIODS OF GENERAL WEAPONS DEER (i.e. FIREARMS) HUNTS IN NOVEMBER AND DECEMBER?

A. **ALL** hunters must sign-out and sign-in at the Sportsman Center on Garden Canyon Road (Bldg 15423) in person or **using telephone no. 533-7085 only**. (See III.F. and III.G.) For javelina, see IV. A and F.

B. **Other hunters** may sign-out during these big game hunts. However, the first hour of hunter sign-out each day is reserved for Hunt Permit-tag holding hunters. **These other hunters are limited to using shotguns with no. 4 or smaller lead shot, or no. 1 or smaller steel shot.**

C. Hunting area reservations are made on a 1st-Come, 1st-Serve **daily** basis. **No** prior day area sign-out is allowed. Areas G-M (West Range) may be open for sign-out the first 3 days of the Nov and/or Dec deer hunts **ONLY** for hunters with a tag that allows mule deer as legal game.

D. Hunter sign-out will begin **before or at** 0500 HRS for November hunts, and 0530 HRS for December through February hunts; approximately 1.5 hours prior to first shooting light.

E. **Hunters must sign-in by 1900 hours.**

1. This can be done in person or by telephone.

2. **Not signing-in can lead to loss of hunting privileges.**

3. Members of a hunting party may have one group member sign everyone in (and are encouraged to do so), but each individual hunter is ultimately responsible for ensuring you have been signed-in, and should not merely assume you have been.

F. The **first time** a hunter signs-out for a Nov or Dec deer hunt it **must be done in person, and each member of the party must be wearing the required blaze orange clothing during sign-out**. After a hunter has signed-out the first time in person, you may sign-out and in by telephone at **533-7085**.

G. **Telephone sign-out** will not begin until 0530 for Nov and 0600 for December through February hunts. If telephones are not operational, hunters must sign-out and sign-in, in person.

H. When a line is present during sign-out, **each** hunter must be physically present and standing in the line.

I. Limited Weapons Areas: Legal crossbows and legal archery gear are the only weapons allowed in most of these areas during these hunts (Note: crossbows are **not** legal during Archery-only hunts).

1. Hunters holding a deer Permit-tag can hunt in Archery-only areas during their hunt, and are **not** required to wear blaze orange clothing while in these areas.

2. Some special areas allow use of muzzleloading rifles and shotguns with slugs during general deer hunts. Hunters and other recreational users **are required** to wear blaze orange clothing in these areas during rifle deer and javelina hunts.

J. Any **harvested big game** must be brought to the check station under the ramada at the Sportsman Center **on the day it is taken**. (See section II.M). Arizona also requires harvest reporting for certain species; see AGFD Hunting Regs for details and telephone numbers.

K. All hunters must comply with II.V above.

IV. HOW DO I SIGN OUT DURING ALL OTHER HUNTING SEASONS?

A. Hunter sign-out for the General Weapons Javelina hunt in February is done through the MP Desk.

B. Mandatory hunter sign-out is conducted by the Military Police Operations Desk (telephone 533-3000 or 2181). MPs CONTROL HUNTER SIGN-OUT AS PART OF THEIR RESPONSIBILITY FOR SAFETY AND SECURITY ON POST, AS A SERVICE TO HUNTERS, TO PROVIDE SAFETY CLEARANCE AND TO CONTROL ACCESS INTO HUNTING AREAS. MPs ARE **NOT** RESPONSIBLE FOR KNOWING OR PROVIDING HUNTING REQUIREMENTS OR INFORMATION. EACH HUNTER IS ACCOUNTABLE FOR KNOWING SEASON DATES, WEAPONS RESTRICTIONS AND ALL OTHER HUNTING REGULATIONS ON POST AND IN ARIZONA.

1. Have your 5 digit, Post permit number available, and call 533-3000 or 2181.
2. Ask to sign out for hunting, and wait if asked.
3. Provide Post permit no., area(s) desired, and game hunted, as it is requested.
4. Wait for the MP to check information and clear you.
5. If the MP says there is no Hunter Control Card on file under your Post permit number and name, you must go to the MP station in person, show your Post hunting permit (or leave them a copy), and sign out for your hunt.

C. Hunter sign-out is mandatory for each hunting trip. Re-signing in and out is required to change hunting areas.

D. Signing-in from hunting is not normally required during times the MP Desk conducts hunter control; however, checking of big game is still required (See section II.M).

1. The MP Desk **may** request hunters to sign-in at the end of hunting. If so, hunters should follow any such directive.

E. All hunters must comply with II.V above.

F. During small game, archery, predator, and some Hunt Permit-tag requiring hunts, **a hunter may sign out for up to 3 adjacent Game Management Areas**, if requested areas are not full or closed by firing or training. These 3 areas **must be adjacent to each other** in order to reduce problems the Military Police might have in emergency notifications, or in having to locate a hunter who did not return as scheduled.

G. Start: Hunter sign-out through the MP Desk begins at 0430.

H. End: Hunters will not be permitted to sign out after 1730.

I. Hunters must be out of the field by 1.5 hours after sunset.

J. Hunters with a javelina General Weapons Permit-tag who choose to hunt in archery-only areas with bow or crossbow during their hunt are **not** required to wear blaze orange while in these areas.

V. HOW DO I GET BIG GAME TAGS?

A. You may purchase a Nonpermit (or "over the counter") tag for mountain lion, fall bear, and archery deer hunting from any AGFD license dealer, including the Ft Huachuca Sportsman Center. You may purchase an archery deer Nonpermit tag and still apply for a Hunt Permit-tag-requiring deer hunt; however, you can fill only one of these deer tags. The 2005 Archery deer tags are invalid on 1 Jan 2006. You must use a 2006 hunting license number or an application for a 2006 AZ hunting license, to apply for javelina or bear Hunt Permit-tags.

B. Big game Hunt Permit-tags for fall 2005 must be obtained from AGFD through their regular procedures. Application procedures, schedules and fees are given on pages 6-9 of the "AZ Hunting Regulations 2005-2006" (www.azgfd.com/pdfs/h_f/AZ%20Fall%20Hunt%20Regs%2005-06.pdf or www.azgfd.com).

C. Applications for deer hunts that require Hunt Permit-tags must reach the AGFD by 7 PM (MST), 14 June 2005. Postmarks do not count. If you are drawn, the Permit-tag will be mailed out from AGFD by 29 July. First-come, first-serve applications (paper applications only) are accepted by AGFD starting 8 Aug, via US Mail only, for any leftover permits not issued in the first draw.

D. Archery-only and general weapons javelina hunts and spring and summer bear hunts also require Hunt Permit-tags. Applications for javelina and bear hunts must reach AGFD by 7:00 PM on a date in fall 2005 to be announced late this summer by AGFD. If 2006 AZ Licenses are not available locally at the time you wish to apply, apply for one on your Hunt Permit-tag/License Application Form(s) (AZ Form 624390 3/05). If you choose to apply for a license at the time of application, you must include the license fee with each application you make. However, only one license will be issued and the other license fees will be refunded. http://www.azgfd.com/pdfs/h_f/Hunt%20App%202005-06.pdf

E. A Hunt Permit-tag will be mailed directly to each successful applicant. Hunters must sign their tag(s) prior to hunting with it. Hunters must sign-out in person at the Sportsman Center the first time they choose to hunt on a specific hunt and tag. (See III.X).

F. Open hunting dates, and hunt numbers for those hunts on Post that require being drawn for an AGFD Hunt Permit-tag are:

HUNTERS ARE REMINDED TO READ AND **BE FAMILIAR WITH THIS ENTIRE FACT SHEET, NOT JUST HUNT NUMBERS.** THIS WILL HELP DIRECTLY TO CONTINUE THE AVAILABILITY OF BIG GAME HUNTING ON FT HUACHUCA, AND ITS COMPATIBILITY WITH OTHER ACTIVITIES.

DEER

Archery-only: Two bowhunting periods are open on post. The first period is Aug 26-Sept 22, 2005. The second is Jan 1-31, 2006. Legal game for both seasons is any antlered deer. **There is no December Archery-only hunt open on Ft Huachuca.** You **must** possess a Permit-tag for Hunt No. 1296 or 1299 to hunt deer on Post in December.

<u>Hunting Dates</u>	<u>Hunt No.</u>	<u>Comments (open area, legal weapons, legal game, # of Permit-tags) & Requirements *</u>
General Weapons:		
Nov 4-15, 2005	1300	Ft Huachuca in Unit 35A CHAMP Hunt**. 10 ***Designated whitetail or mule deer Hunt Permit-tags. Post permit required.
Nov 4-15, 2005	1297	Ft Huachuca in Unit 35A, 10 Antlered mule deer Hunt Permit-tags. Post permit required.
Nov 4-15, 2005	1298	Ft Huachuca in Unit 35A. 75 Antlered white-tailed deer Hunt Permit-tags. Post permit required.
Dec 16-30, 2005	1299	Ft Huachuca in Unit 35A. 124 Antlered white-tailed deer Hunt Permit-tags. Post permit required.
Muzzleloader:		
Dec 16-30, 2005	1296	Ft Huachuca in Unit 35A, 12 Antlered deer Hunt Permit-tags. Post permit required.

* NOTE 1: If you receive ANY ARIZONA DEER HUNT PERMIT-TAG in the Drawing, you MAY NOT APPLY for a deer Hunt Permit-tag during the 1st-Come, 1st-Serve application period. If you were an unsuccessful applicant, or missed the Drawing for deer hunts, you MAY apply for remaining deer permits during the 1st-Come, 1st-Serve period BEGINNING 8 August 2005, by mail only (See section V. C.)

** NOTE 2: CHAMP hunters must arrange and complete a hunting area orientation with a local hunter-cooperator prior to actually signing out to hunt. (See section I. D.)

*** NOTE 3: Limited harvest of antlerless deer will be allowed, & only in specific hunt areas.

<u>Hunting Dates</u>	<u>Hunt No.</u>	<u>Comments (open area, legal weapons, legal game, # of Permit-tags) & Requirements</u>
----------------------	-----------------	---

BLACK BEAR**General Weapons:****Fall Bear:**

Aug 29-Dec 31, 2005	none	Hunt will not open unless a population management need for bear hunting exists. Non-permit tag required. Any bear except sows with cubs. Female harvest objective =2. Post permit required.
------------------------	------	--

Anyone interested in being notified if this hunt opens should mail enrd.huachuca@us.army.mil or call 520-533-7083 or and provide your contact information and post permit number.

Spring Bear:

Mar 24-May 2, 2006	8899	<i>Proposed but NOT finalized; see August revision</i> Ft Huachuca in unit 35A. 2 Permit-tags for any bear except a sow with cubs. Female harvest objective =1. Post permit required.
-----------------------	------	--

Archery-only:

Proposed but NOT finalized; see August revision

May 3-Sep 3, 2006	8898	Ft Huachuca in unit 35A. 2 Permit-tags for any bear except a sow with cubs. Female harvest objective =2. Post permit required.
----------------------	------	--

JAVELINA**Archery-only:**

Proposed but NOT finalized; see August revision

Jan 1-31, 2006	5598	Ft. Huachuca in unit 35A. 18 Hunt Permit-tags for Any Javelina. Post permit required.
-------------------	------	---

General weapons:

Proposed but NOT finalized; see August revision

Feb 17-23, 2006	5599	Ft Huachuca in unit 35A. 18 Hunt Permit-tags for Any Javelina. Post permit required.
--------------------	------	--

TURKEY

No seasons currently are expected on Post in 2006

G. OTHER POST HUNTS: All other hunting seasons held on Ft Huachuca will run concurrently with hunting seasons open in Unit 35A. These hunting seasons are exactly as listed in the "Arizona Hunting Regulations for 2005-2006."
